

Acknowledgment & Agreement of Terms

Our goal at Pacific Holistic Healing (PHH) is to assist you in achieving improved health. We shall work with your body's inherent ability to heal encompassed in the laws of nature.

This agreement clarifies our billing procedures. Please carefully read the statements below. Your signature designates your understanding and consent to these procedures. Please contact us with any questions, if necessary, prior to returning this form.

- 1) All accounts are due at the time of your visit. Cash, check, MasterCard, and Visa are acceptable methods of payment. A returned check fee is \$35.00.
- 2) Telephone consults are no charge for the first 5 minutes. Telephone calls longer than 5 minutes will be charged at the rate of \$2.50 per minute.
- 3) It is your responsibility to determine whether or not your insurance company will reimburse you for your visit(s), and to what degree. We provide the proper paperwork, so that you may correspond with your insurance company directly.
- 4) Services and treatments not covered by your insurance carrier will still be your personal responsibility for payment to PHH.
- 5) At PHH we provide adjunctive, ongoing care. This means that care rendered by our physicians will not replace your need for a primary care physician. Our physicians subscribe to no hospital plans in the area, and therefore do not have admitting privileges.
- 6) A consultation fee will be varied according to each individual. The fee for an initial consultation, which includes a detailed history, possible physical exam, and initiation of a treatment program, will depend on complexity and time spent and vary between \$80 and \$160. Any future visits and fees will be determined by you in conjunction with your physician.
- 7) A 24 hour notice is required if you cannot make the next scheduled appointment. Missed appointment fee is \$40.00 for appointments cancelled less than 24 hours prior to appointment time.
